Cairo , Giza , Abdelsalam Amin ST 1532

SUMMARY

Frontend Developer with strong skills in HTML, CSS, JavaScript, React, and UI/UX design. I build clean, responsive, and user-friendly websites using modern tools like Tailwind CSS and Figma. Passionate about creating elegant interfaces and improving user experience.

WORK EXPERIENCE

Demi Coding Instructor

iSchool – Hybrid
Feb 2025 – Present

- Teach Python and game development to young students through project-based learning.
- Guided students in building simple mobile applications using both code and UI design.
- Help learners understand logic, structure, and design of interfaces for mobile screens.
- Part of a national tech grant program by Egypt's MCIT to inspire the next generation.

AI Training Coder

Scale AI – Remote
Oct 2024 – Feb 2025

- Annotated and evaluated datasets to improve the performance of AI models.
- Applied problem-solving and attention to detail to refine model outputs.
- Collaborated remotely with global teams using Git-based workflows and quality tools.
- Strengthened understanding of real-world AI applications and data flow — enhancing technical thinking for frontend interface design.

EDUCATION

October University For Modern Science and Arts

Bachelor of Engineering

Giza, Cairo
SEP 2019 - FEB 2025

University of Greenwich

Bachelor of Engineering

London , United Kingdom
SEP 2019 - FEB 2025

TECHNICAL SKILLS

- **Languages:** HTML5, CSS3, JavaScript, Python, TypeScript
- **Frameworks & Libraries:** React.js, Tailwind CSS, Bootstrap, Angular
- **UI/UX Tools:** Figma, Canva
- **Version Control:** Git, GitHub
- **Tools:** Chrome DevTools, VS Code, Firebase (basic)
- **Soft Skills:** Teamwork, Communication, Creative Problem-Solving

INTERPERSONAL SKILLS

- **Personal Effectiveness:** Time Management, Work Planning, Attention to Detail, Adaptability, Critical Thinking, Complex Problem Solving
- **Communication and Collaboration:** Communication Skills, Active Listening, Presentation Skills, Teamwork, Collaboration, Conflict Resolution
- **Leadership and Teaching:** Leadership, Curriculum Development, Creative Teaching Methods, Student Engagement

PROFESSIONAL CERTIFICATION

Web Development

- Sprints x Microsoft Summer Camp

JUL 2025 - AUG 2025

Responsive Web Design Certification <ul style="list-style-type: none">FreeCodeCamp	MAY 2025 - JUL 2025
JavaScript Algorithms and Data Structures <ul style="list-style-type: none">FreeCodeCamp	FEB 2025 - APR 2025
Front-End Developer Career Path <ul style="list-style-type: none">Codecademy	NOV 2024 - JAN 2024
Meta Front-End Developer Certificate <ul style="list-style-type: none">Coursera	SEP 2024 - OCT 2024
Google UX Design Certificate <ul style="list-style-type: none">Coursera	AUG 2024 - SEP 2024
Build Responsive Real-World Websites <ul style="list-style-type: none">Udemy	JUN 2024 - JUL 2024
Scientific Computing with Python <ul style="list-style-type: none">FreeCodeCamp	MAR 2024 - MAY 2024
Programming with JavaScript <ul style="list-style-type: none">Meta (Coursera)	SEP 2023 - FEB 2024

PERSONAL PROJECTS

Personal Portfolio

- Developed a modern portfolio with dark theme and animations.
- React, Tailwind CSS, Framer Motion

Heart Disease Prediction Dashboard

- Interactive ML dashboard with charts and form inputs.
- Streamlit, Python, Pandas

Elegant Calculator

- A responsive and stylish calculator built with HTML, CSS, and JavaScript.
- Features glassmorphism design, animated gradient background, and extra math functions.

 [Live Demo](#) |  [GitHub Code](#)

Weather App

- A responsive weather application built with HTML, CSS, and JavaScript using the OpenWeather API.
- Shows real-time temperature, weather icons, and dynamic background colors based on conditions.

 [Live Demo](#) |  [GitHub Code](#)

Sweet Delights

- A visually appealing bakery website built with HTML, CSS, and JavaScript.
- Features a modern responsive design, mouth-watering product showcase, and smooth animations for an engaging user experience.
